

Love God
&
Love Others

Matthew 22:34-40

How can we know about a God who we cannot see, hear, smell or touch?

How do we love someone we can't see, smell, hear or touch?

How can we show our love to someone who is not around?

In what ways could people be poor?

What are people doing in these pictures to help the poor?

Draw a picture of something you could do to help the poor.
