How to use “**Kusoma Biblia** – *Faraghani*”

This booklet is a daily Bible reading program. It has not been designed as a reading guide to be followed during services of public worship.

If you follow this program you will read:

- A. All the books of the Old Testament once every two years.
- B. The book of Proverbs once yearly with small readings every day.
- C. All the letters of the New Testament will be read once per year.
- D. The Gospels of Matthew, Mark, Luke and John will be read twice every year.

Each day you will read the following::

- a. Two readings from the Old Testament following either the first or second year list.
- b. One reading from Proverbs.
- c. One reading from the New Testament.

Each month the Old Testament readings are listed under two different headings.

1. “The Old Testament – Year One” – You read passages under “Year One” during years which end in an odd number, i.e. 1,3,5,7 or 9.
2. “The Old Testament – Year Two” – You read passages under “Year Two” during years which end in an even number, i.e. 0,2,4,6 or 8.

In many places you will see the symbol of an asterisk (*). This symbol indicates that there is no reading under the particular column for that date. If you like you may choose to read again the reading from the previous day.

In using this program you may like to remember the following:

- a. Before you read the passage pray that God will open his word to you by His Holy Spirit.
- b. In reading the passages you should ask yourself the following:
 - i. What does the Word of God say about God?
 - ii. The Word of God encourages me to be what kind of person?
- c. After reading the passages you may like to praise and seek God's assistance in accordance with the readings. Do try to apply the Word of God to your situation.
- d. If you are uncertain about any passage from the Word of God be diligent in seeking assistance from your Pastor or from a Christian who may be able to help you.

**** Do not be stressed by this program, it has been put together to serve you! If you get drawn into a passage and read on into passages that have been set for the following day/s just enjoy. If you fail to have time on any certain day to follow it (even for several days in a row) instead of returning to previous days and trying to catch up, I advise you to pick up on the current date and start again in going forward!**

God Bless You!

“All scripture is inspired by God and is useful for teaching, for reproof, for correction, and for training in righteousness, so that everyone who belongs to God may be proficient, equipped for every good work.

2 Timothy 3:16-17
